STORY 7

大角度漫画

Birthday?
Yeah,
I thought of celebrating it together.
Xiao You .....
So, Xiao Ran,
You should go to that basketball match.
But I don't want to miss your performance.....
Someone will be recording it.
A recording is different from a live performance....

The both of you have such a good relationship~
Sticking so close to each other the whole day, it really makes one jealous~
My best friend and I sometimes get tired of each other.
Xiao You, you really want me to go to Bei Tai's basketball match?

Yeah, the birthday boy gets to call the shots~

.....
Alright then.

I'll go there and cheer for you.
But,

If you lose,
You'll have to do a lap dance on the basketball court as punishment.
Xiao Ran,
Don't be so cruel to me....
Even for the sake of Xiao Ran,
I will not lose!
But I wanna watch Bei Tai doing a lap dance~
But it wouldn't be good to lose the match, right~
Hehe.
Why are the two of you also doing this to me...

Ah... you're talking about that...

My view have been shattered, there's no way to put it back!!

Say, are the fighting scenes nice?
Are the villains smart and powerful enough?
Are both the male leads handsome?
Ugh...

Well, yeah... But.....

It has everything you wanted, right!?

What she said does make sense. I can't refute....
